

Dry Food ration support in Tashiling Tibetan Settlement.

German Nepalese Help Association(GNHA, Germany)

The World Health Organisation has called the on-going outbreak a “pandemic” and urged countries across the world to take precautionary measures. This crisis affected whole over the world but, Nepal ranks 111 in healthcare. In country like Nepal Total Covid cases is around 2, 51,000 where recovered is 2,39,000 until today.

This pandemic has hit hard economically, mentally and emotionally across the world. Nepal has recorded 1743 deaths as a result of COVID-19 infection. Situation in Nepal are getting worse than before where Covid-19 cases are increasing day by day.

Covid -19 has put at risk many lives, especially the vulnerable population who earn on daily basis to live a hand-to-mouth existence.

International aid agency World vision urges countries with strong health systems to support nations where children and their families experience conflict, poverty, refugee displacement in order to help prevent the further spread of coronavirus. So, German Nepalese Help Association (GNHA) came up with an idea to provide dry food ration relief fund to our settlement people during this critical time. Hence, we were deeply blessed to get such support from your esteem office.

This pandemic has caused many people especially in Business sector. In our settlement majority of livelihood are dependent on tourist where they sell souvenir things to fulfil their daily bread. Since pandemic started individual source of income have been disturbed.

I would like to appreciate to your esteem office German Nepalese Help Association (GNHA) for the gift of Euro 7,500 equivalent to Nepalese Rupee Nrs 10, 50,489/- money given to Tashiling Tibetan Settlement for the dry ration.

Thus office distributed dry ration to 150 household including Monastery, Orphanage Children, widow mother and single senior citizens of settlement. The rations has distributed by our office as per the number different household sizes.

This support has definitely reduced the problem of our people to some extent. Our settlers are very much glad for fund you have provided. Thus, our office would like to acknowledge for your generosity by extending the support at such critical time.

More so remain balance of Nrs **4, 19,114/-** our office is planning to distribute dry food ration after a month so that settlers feel more secure as 3rd wave Delta Variant is emerging in Nepal soon.

Taking this opportunity I personally would like to thank Mr. Andreas Falk for your kind help,support, guidance, cooperation toward our settlement as well Manang Settlement too.

Last but not the least we would like to thank your good self-kind reputed organisation, donors, harding working staffs to continuously supporting Tibet and the Tibetans.
